PROFESSIONAL SUMMARY

Photographer and content creator with 6+ years of hands-on experience producing polished commercial visuals, business portraits, food and beverage content, reels, and client-facing campaign assets. Strong fit for the role through a serious photography practice, careful attention to light, composition, detail, consistency, and premium presentation. Experienced in planning shoots, managing client expectations, retouching, creating social-first content, and adapting visual direction to the brand, product, and audience. Passionate about luxury products, craftsmanship, travel, and creating images that make an object feel desirable online. Photography is more than work to me; it is where I find happiness, purpose, and a true love for art.
